SUBJECT: CYPRUS SUPPORTS ARCHITECTURE MODEL GUIDELINES
DOCUMENT, MAY SEND REPRESENTATIVE TO PROPOSED JAN 22
CONFERENCE

REF: SECSTATE 156602

Per reftel, PolOff demarched First Secretary Marios Kountourides, Department of Multilateral Affairs, Cypriot MFA on December 7. Kountourides said that Cyprus is "very much for" collaborating on the development of global nuclear detection architecture model guidelines, and has "no objections" to the reftel proposal. He hoped that Cyprus would send a technical-level representative to the proposed meeting of Global Initiative partners, the International Atomic Energy Agency and the European Union, but at this time, it has not selected an individual.
